Whoops, all Eggs?!

by Anonymous

Summary

Sex Ed didn’t exactly cover reproducing with humans.

Notes

I haven't watched Taiga in about a year.. so characterization might be off slightly.. sorry! Also shorter fic today bc I got home late and didn't have much time to write, I'll try harder for tomorrows.

See the end of the work for more notes

“And you didn’t think this was important to tell me.. Until you were already inside me?” Hiroyuki said, looking up at Homare’s blushing face. They were connected at the hips, the human very much aware of the dick currently resting inside him.. And now that it would likely lay eggs in him once Homare finished. “I had forgotten.. You weren’t like me. I’m sorry, we can stop.”

Hiroyuki’s logical brain said they should stop. He didn’t really want eggs in him. Especially if they stayed there. He shuttered at the thought on accident, making Homare groan and tense up against him. “Ah- Listen, they won’t hurt you in theory. I doubt you can even carry them, especially since they won't be fertilized unless they’re in a proper pouch. Which you don’t have.”

The sound Homare made almost flicked that logical side of Hiroyuki’s head off, desperate to hear more. “I’m supposed to trust you.. On a theory?” Hiroyuki pointed out, and the alien looked away embarrassed. “You are my first time, I don’t really know. Sex Ed didn’t exactly cover reproducing with humans, but it did say that the eggs have to be somewhere a lot hotter than your resting temperature. You’ll likely just pass them next time you use the bathroom.”

Hiroyuki sighed, deciding that it didn’t really matter. He trusted Homare. Plus, he’s so hard at this point it hurts. He wants that dick in him to move already. “Fine just.. You better let me pass them on my own. I don’t need any more embarrassment from this.” Homare just nodded, but Hiroyuki saw the way his eyes lit up. “So, get on with it.. Please.” Hiroyuki continued, grinding his hips down for emphasis.

Homare didn’t wait, thrusting up into Hiroyuki making both of them groan in unison. They fell into a pleasant rhythm of meeting hips at every thrust, Hiroyuki’s legs eventually wrapping around Homare’s hips trying to hold him closer. His thoughts were leaving him, focusing on the pleasure of Homare’s dick rubbing against his prostate every other thrust and his dick occasionally catching on one of their stomachs.

So good, that when Homare suddenly stopped and moaned, he was confused when he felt nothing. Was he edging himself to last longer? Then, something thick passed through his rim and inside him. The eggs. Hiroyuki groaned as the eggs pushed in and against his prostate, settling somewhere inside him. Light enough to be barely noticeable.. If it weren’t for the fact his body knew it didn’t belong there.

He couldn’t sit on the weird feeling though, as more pressed into him, each one catching his prostate, applying rough pressure on it. Hiroyuki was slightly ashamed to say he was groaning each time, starting to enjoy the feeling. He reached down, grabbing his own dick and pumping it with each egg Homare passed into him, until it was all too much. He came, hard, fluid catching on both of their stomachs.

In his afterglow, he hadn’t even realized Homare had stopped passing his eggs, and was now staring down at him. Hiroyuki blushed as their eyes met, then offered Homare a smile. Maybe, this should happen again.
